

PEPOS

A fleshy, several-seeded fruit that has developed from one flower having a single ovary divided into several carpels, which develops a firm or tough rind as it matures.
... Once you break through the outer shell, a multitude of life can blossom

We have harnessed the 7 members of the pepo fruit family, studied their subtle flavour notes & together with a precise selection of liquor, thorough scientific preparations techniques, & then perfectly garnished for the perfect cocktail .

PORNSTARS

The pornstar martini is a passion fruit-flavoured cocktail made with vanilla flavoured vodka, Passoã, passion fruit juice, and vanilla sugar.

It is traditionally accompanied by a chilled shot glass of champagne or prosecco as a pallet cleanser. Created in 2003 by the late Douglas Ankrah.

We have explored a vast array of detailed processes to enable us to create this unique pornstar menu which embraces it's original Passion Fruit flavour but with 7 variations, all with a innovative cheeky twist.
